

\$50,000 Growing Communities Grant Application

Raymore Credit Union is committed to building stronger, more vibrant communities. Our current members and the generations to come will benefit. We provide support and positive change to our communities. By developing the *Growing Communities Grant* in 2009, we have created a legacy of community based projects.

At Raymore Credit Union we provide two types of funding:

1. Sponsorships & Donations (under \$1,000)
2. Growing Communities Grant (\$1,000 - \$50,000)

Both of these require their own application. Please ensure you select the appropriate form for your request. Sponsorship applications are accepted anytime throughout the year. This application is for the Growing Communities Grant. We invite applications from non-profit community groups or organizations* who are spear heading projects to build, expand, improve or renovate local facilities. Capital projects are the focus of our program. Consideration will be given to funding that supports community facilities.

- One-time projects or renovations
- Major events
